from 1.12.2001 -Reg.

Read:- 1) G.O.No. UDD 16 MNI 2001,
Dated 20.12.2001

PREAMBLE:

In the Government Order read above, Government have given effect to the revision of water tariff rates proposed by BWSSB in order to mitigate the continuous deficit, being faced by the Board. However, certain representations were received pointing out that the rates prescribed would adversely affect the consumers of the poorer sections, urging the Government to reconsider the hike proposed for the lowest categories.

A meeting was convened under the chairmanship of the Chief Secretary on 26.12.2001 which was attended by the Principal Secretary to Government, Urban Development Department, Principal Secretary to Government, Finance Department, Principal Secretary to Hon'ble Chief Minister, Chairman and Financial Adviser, BWSSB in which the entire decision for the tariff increased were deliberated and a note submitted to the Hon'ble Chief Minister.

Hon'ble Chief Minister had a meeting with the MLAs/MPs of the city and heard their views on the entire issues on 27.12.2001. After lengthy deliberation in the said meeting, it was decided to form a sub-committee under the Chairmanship of the Hon'ble Minister for Information Technology and 2 other city MLAs and to work out an alternative proposal with a view to provide relief to the first 2 slabs of domestic consumers. The sub-committee met in the chambers of the Hon'ble Minister for Information and Technology on 27.12.2001 and recommended a reduction in the tariff for domestic consumers in the first 2 slabs i.e., 0 to 15,000 litres per month and 15,001 to 25,000 per month from the approved rates of Rs.6/- and Rs.10/- per K.L. to Rs.5/- and Rs.6.50/- per K.L. respectively. The sub-committee also recommended that the sanitary charges for the first 2 slabs on the domestic consumers should be at the rate of Rs.15/- per connection instead of 20% of the water bill, the Committee also recommended that all other rates recommended in the G.O.

dated 20.12.2001 be confirmed.

After examining all aspects the Government have decided to partially amend the water tariff as follows as recommended by the sub-committee. Hence the following order:

**GOVERNMENT ORDER NO.UDD 16 MNI 2001,
BANGALORE, DATED : 4.1.2002.**

15,001 to 25,000 Litres per month	Rs.10/- K.L.	Rs.6.50 per K.L.

Sanitary fee is fixed at Rs.15/- per consumer for these two categories. All other levies in respect of all other categories as contained in Government Order No.UDD 16 MNI 2001 dated 20.12.2001 remain unaltered.

Dt.27.7.1994.

3) Letter No. BWSSB/Fa & CAO/3506/2001,
Dt.6.11.2001.

PREAMBLE:

Government in their order dated 17.7.1991 permitted BWSSB to revise the Water Tariff suitably as and when the KEB revises its tariff. Water Tariff was last revised with effect from 15.7.1998. The Chairman, BWSSB, in letter dated 6.11.2001 reported that operation and maintenance cost had increased considerably from 1998-99 onwards. The monthly deficit is stated to be Rs.5 Crores after the last revision of power tariff from February-2001. As such BWSSB has sent proposals to revise water tariff by amending the BWSSB regulation, considering the increased production and maintenance expenditure and requested the approval of Government to revise the water rates w.e.f. 1.12.2001, in order to generate additional revenue to meet the increased O & M cost.

After examining the above proposals Government has decided to revise the water tariff and orders as follows:

**GOVERNMENT ORDER NO.UDD 16 MNI 2001,
BANGALORE, DATED:20.12.2001**

After considering all the aspects mentioned above, Government is pleased to permit BWSSB:-

1) For the revision of Water Tariff proposed by BWSSB as detailed in the Annexure to this Order and the revised Tariff will be applicable to all bills prepared on or after 1.12.2001.

2) For revision of tariff every year backed by perceptible improvement

in services, which will be more acceptable to the consumers rather than hefty increases once in 3 or 5 years.

3) To revise Tariff annually on a need based basis.
